Boaters Party Hearty

The 5th Annual AYH Dock Party was great fun. There was dancing and merrymint, a cool breeze and great food... a good time was had by all. Thanks to everyone for coming and bringing such amazing dishes.

Check out all the party photos on AYH Facebook page.

Stone Crab Season

is from Oct 15th – May 15th. Recreational fisherman can take one gallon of claws per person (max 2 gallons per boat).

The claws have to be 2 3/4 inches from the first knuckle to the immovable part of the claw. Although both claws can be taken, by taking just one claw the crab will have a better chance of survival. The claw will regrow in one year. To effectively remove the claw, hold the crab with two hands and snap the claw down. For more info go to StoneCrabFlorida.com

It's All In A Name

Boat U.S. has a data base of over eight thousand boat names. Here are the top ten names: *Serenity, Seas the Day, Andiamo (Italian for Let's Go), Second Wind, Island Time, Happy Hours, Journey, Serendipity, Relentless*. Need help creating that just perfect name for your boat? Check out the BoatUS.com for info and inspiration.
