**HAPPY BIRTHDAY
TO THE U.S. COAST GUARD!
225 YEARS!**

Since 1790 the Coast Guard has safeguarded our Nation's maritime interests and environment around the world and is one of the oldest organizations of the federal government. They recently created a **Boating Safety Mobile App** that provides customized safety lists for your boat, allows you to create and send float plans, locate nearby buoys as well as pertinent emergency information and much more. Registration is easy and FREE and available for download at www.uscg.mil/mobile/

Welcome To Adventure!

Happy Labor Day to everyone, we hope you enjoy a long weekend and these slow end-of-summer days. Jim is off to Panama for a few weeks enjoying some fishing and time away - be sure to come in to hear the stories end of the month!

Hey... It's Hurricane Season!

With the first storm to threaten our shores, it's our wake-up call once again... are you ready? Your Harbor Office is here to assist, but the ultimate responsibility for your boat lies with you, the owner. Make your plan to include extra dock lines, fully charged batteries, clean up and tie down loose objects, roll up the eisenglass and let the wind whistle thru. Call your insurance company to verify coverage which changes from time to time.

Barracuda! Bonita! Kingfish!

Congratulations to team "No Pressure" with Captain Austin Pons C-02, Wally Pixley and Cannon Pixley of slip C-32 for winning third place in the latest off-shore tournament held by the Halifax Sportfishing Club called the Summer Slam (also known as the "trash can slam") with one barracuda, one bonita and one kingfish. Congrats!

Fall Charter Boats Are Ready

Get ready, it is the time of year when the bait runs back south and the fishing gets reel :) good. The charter boats are ready to take your crew fishing! We have Capt Bill on the 40' "Hooker", Capt Nick on the 37' "That's Right", Capt Mike on the 27' "Knot on Duty", Capt Rachael on the 20' "R & R Charters", Capt Chris on the 23' "Off-Duty Charters" and Capt Austin on the 26' "No Pressure Charters". Burn and Blister Remedies

Jellyfish sting: soak area for 20 minutes in hot water. Or apply shaving cream and scrape off tentacles with a credit card, forget the urine myth. **Sunburns:** get out of the heat, apply cold compresses. Nothing speeds healing, but aloe vera gel can provide topical relief.
