

The Scuttlebutt

December 2017

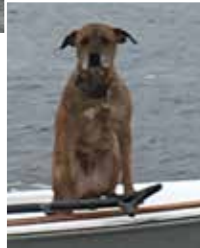

This weather is perfect for boating and a welcome reminder of why we all love Florida! We hope you enjoy boating with your family, friends & dogs! Have a VERY MERRY HOLIDAY! Charlie, Sheryl, Jeff, Steve & Stacy

It's A Dog's Day Everyday

When it's time to head out on the water, what better time to bring the pooch along? Send us your favorite dog pics on your boat! Here are a few to get you started...

AYH's Steve Anderson and his dog "Gator" were recently spotted heading out for an afternoon of fishing on their 16' Scull Island Skiff. Nice!

"Couldn't have been better"

Date: 2017-11-22

Captain: Alex Vangellow, Sebastian FL
We developed some engine trouble traveling through Daytona and stopped here for the night, which turned out to be ten days. No problem, the beach is two blocks away and the restaurant is on the docks. Charlie, Jeff, Steve and Stacy gave us the royal treatment and encouraged us every step of the way. Kudos to Al's Mobile Service for saving the day. Thank you all, we'll be back.

New Boat Built and Launched

Some of you may have spotted Charlie Roach's new boat around the marina lately. It launched last month after 3 years in-the-making. After researching boat styles that would be nice for the Halifax River, he decided on this 24' Chesapeake Bay Deadrise and purchased the plans in 2014 from D.N. Hylan in Maine. The boat is built using all cypress and marine-grade plywood. Have a boat project you are working on? Send us pics for our Scuttlebutt "Boat Project" Feature in February, 2018.

Reopening Red Snapper

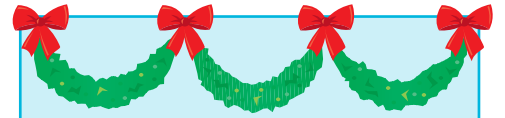

December 8, 9, & 10, 2017

Recreational harvest of red snapper was allowed for six days in November, however the catch limit had not been caught due to inclement weather. (1 fish p/person p/day)
