## 2018 Lobster Mini-Season

Every July the coastal areas of Florida are flooded with lobster hunters trying to get their share of this year's bounty when the official mini lobster season kicks off. This year the mini season falls on July 25th and 26th. *The regular eight-month lobster season is always August 6 through March 31*

## Change Zincs Often

Check zincs in your engine frequently and change as needed. A depleted zinc can result in significant damage to your engine, and costly repairs. The same goes for shaft and other zincs underwater outside the hull. Your Adventure Yacht Harbor Ships Store has a large variety of zincs for your use.
