

The Scuttlebutt

JULY 2019

Summer came on with a bang this year, a hot one! Hang in there, cause we've got a few more months to go! Beat the heat out on the water and the islands with family, friends and pets! No charge to soak up the AC in the Harbor Office and share your adventures!

Fishing Time!

Now's the time for all you fisher men and women to get on out there and have some fun! The fish are biting offshore and inshore and there are lots of tournaments around to get in on the action... or observe! Just have fun out there!

Mike Monson (top left) and Charlie Roach (top right) each have had some success this season with the Kingfish.

Wash Your Chain And Anchor

Extend the life of your expensive anchors and chain by washing them with fresh water when you return to the dock. Periodically remove it all from the chain locker and clean out the salt/mud and sand!

Team Adventure, Austin and Cole Ferguson (right) have been enjoying their summer inshore too with 24 Redfish caught in an hour... all released to be caught again, so get on out there!
