## Time For Spring Cleaning

Make a to-do list and gather the tools - a bunch of rags, Armor All, wax polishes, new bilge socks, sponges, garbage bags, Windex, mold and mildew remover, rust stain

remover, and metal polish. Armed with this, some time and a little elbow grease — be prepared to dazzle your family, friends and your dock mates!

- **Air out and wash all fabric things**
- **Scrub out everything** - including ice boxes, coolers and cabinets.
- **Polish and protect (twice a year)** with a marine polish that shines and protects.
- **Waterproof!** it's the rainy season coming, time when boats can easily fill up with water. Make sure all of your self-bailing scuppers are not clogged.
- **Clean out and restock** your dock box *(Take everything else home!)*
- **Cart it** with the Marina Carts, but please return them to the bulkhead so others may use them as well.
- **Be Neighborly!** Leave messy, smelly boat projects for the boat yard.
- **Outside contractors** must have insurance filed in the Harbor Office and must check with the Harbor office each time prior to boarding your vessel.
- **Smile at a job well done ;-)**
